Morning,

I'm flagging for you John's comment below to reference in his transmittal the current plan to include some rationale in the EPA's FL FRN and requesting that he pull back a little on the expectation of what will be included in the FL FRN.

Ex. 5 Deliberative Process (DP)

Thanks, Kathy

Looks great, Whitney—I'll plan to send up to Dave with only some minor tweaks to the opening and closing (and reference in my transmittal the current plan to include some rationale in the EPA's FL FRN). Let me know if Tod has anything further...I won't plan to send until later today.

Thanks again,

John

Hello John,

Please see attached for a draft letter from David Ross to Chairman Jorjani, as requested in our meeting yesterday. OGC (Simma), R4 ORC (Matt Hicks), and Kathy have reviewed. We are requesting Tod Siegal's (OGC) review concurrent with your review.

Thanks for your feedback!

Best,

Whitney
